HOUSE RULES

- Please enjoy one glass of sangria at a time. They pack a punch so please drink slowly. Don't worry, There's more where that came from.
- Complimentary sangria is served during the course of your meal, not forever (unfortunately!). If that last bite has been sitting on your plate for 2 hours, you're kind of toeing the line of "forever".
- If one person gets cut off, so does the rest of your table. So please ask your boyfriend to save his awesome tabletop dancing skills for another day.
- Management reserves the right to discontinue serving any patron at any time. (Boring, we know. Our lawyers made us put this one in.)
- Sangria is served in 16 oz glasses, so don't be sad if you don't get to all the flavors. We still think you're a champ!
- No sangria is allowed outside the restaurant.
- Please don't forget your children here. We WILL put them to work.
- We encourage our guests to enjoy a fun, leisurely sangria brunch, but please also be mindful of our additional reservations. Your fellow brunchers would also like to enjoy the sangria (and perhaps a bite to eat).
- Please drink responsibly.

HAVE FUN AND ENJOY!
